

## PRINCIPAL'S REPORT

Dear Parent Community

Even though this term was longer than normal, by a week, it has flown. It is hard to believe half of the year is already over!

Next term is going to be jam packed. We are having our African drumming incursion for most Wednesdays. I know many of the children are looking forward to it... they told me so. There is a small cost involved for the children to participate, as there was for Edu Dance. The school is paying half the cost. If you have not done so already, I would urge you to send in the payment so all of the children can participate.

We are going to re-schedule our NAIDOC Day for Term 3. We are looking at a few potential dates, which we will confirm early next term.

Our big fundraiser for next term is the Slime Fun Run, which is scheduled for Week 10, Tuesday 21st September. It's like a colour fun run, only slimier!

Next term is also another big one for Physical Education with Cross Country and Faction Athletics Carnival.

As advertised in a previous newsletter the children return to school on **Tuesday 20th July**.

**Monday 19 July is a pupil free School Development Day for staff.**

I wish all of our children and staff and their families a safe and relaxing break. Let's hope that the lockdown ends as scheduled tomorrow and the children can enjoy their holidays outside.

Kind regards

## PE NEWS - by Ms Olivia Mottram

Well done everyone on a fantastic semester. Our students have done us proud, whether at school or at carnivals. We have been developing our skills in cricket, rugby, lacrosse and netball. Although we love our team sports, we will be moving on to athletics in Term 3. We begin with a focus on running, with our Cross Country qualifying events in Week 2 (Years 3-6) and sprint training in PE lessons. If you hear your child talking about their power arms and poisonous heels, don't be alarmed. We are channelling our inner sprint machine, modelled on Cathy Freeman and Usain Bolt.

The government report on school children paints a dull picture of our kids' physical health and well-being. So, if you can get out this holidays, please take your children to the oval to kick and throw a ball; get them to climb – play equipment, or even better, trees; and jump from trees and play equipment. The more our kids use their bodies, the more they build their strength and resilience. Play is essential to health!

## Student Leader News - Ms Olivia Mottram

As Indonesian schools look at re-opening in July, we have sent our fundraising money over to help out.

When the students of SD2 Lilligundi walk back through the classroom doors they will have a pencil case full of pens and pencils from their friends at Coolbellup Community School. Fingers crossed they can get back to school soon.

## School Voluntary Contributions - 2021

Thank you to Parents/Carers who have already paid their child's voluntary contributions for 2021.
