Dear Parent Community,

The quiz night on Saturday was a huge success. Everyone who attended seemed to have a good time. I have been involved with these sorts of events for many years in my role as Principal and I don't think I have seen one as well organised as this event. I would like to thank the Members of the P&C, in particular Alison Loo, for their hard work. The questions were well written and challenging and suited the range of people who attended. The detailed program that was followed to the letter ensured the night ran smoothly. Well done to all concerned.

I would like to thank the many people who attended and supported the night. Quite a few who attended were not directly members of the school community and without your support this would not have been the success it was.

I would also like to thank the many sponsors who generously donated to the event providing the prizes, sponsored question rounds and contributing as major sponsors.

I would also like to recognise and thank Mrs Rochelle Luff for hosting the evening. Her quirky sense of humour certainly shone through.

Languages Other Than English (LOTE) News:

Our 2015 Indonesian assembly and Term 3 Fundraiser Day for our Balinese sister school, SD2 Liligundi, will be held on Friday, 25 September (Week 10) at 9am. The theme for this dress up fundraiser is ‘Sarong Day’. All students from Kindergarten to Year 6 are encouraged to wear a sarong in the morning and bring along a gold coin to donate towards SD2Liligundi. The students of SD2 are in need of art equipment, stationery and musical instruments.

Please join us for a morning assembly which will incorporate a short fashion parade. All students who dress up are invited to participate in this parade to display their unique sarongs. Please have your child(ren) dressed up in their sarongs and an appropriate sleeved top (a T-shirt, blouse, long sleeved cardigan or similar) in the morning. They can remove their sarongs after the assembly, before recess play. The middle and senior primary students will be performing a collaborative sketch of a Balinese folktale for us. Your child(ren) are welcome to bring in a gold coin to donate towards SD2, our Balinese sister school, if they prefer not to dress up on the day, however all students are encouraged to dress up. We are looking forward to seeing your child(ren) in their sarongs on the day.

If you or anyone you know is travelling to Bali, please consider carrying a few donated items over for the students of our sister school, SD2 Liligundi in Buleleng (North Bali). We have two ‘Adopt A School’ coordinators in Bali who can pick up the items from your accommodation site and deliver them to SD2. If you have any items at home (preferably clothes and/or books) in good condition for children aged 6 – 12 years, feel free to donate them to SD2. Please contact me at Christiana.Bain@education.wa.edu.au or pop into LA13 on Monday or LA10 on Wednesday for more information.

Thank you for your ongoing support.

Terima Kasih!

**DEAR PARENT/GUARDIAN**

Every year in Australia and New Zealand, over 30 million toothbrushes and 80 million toothpaste tubes* are thrown away.

Our school is participating in the Colgate Oral Care Brigade, a unique recycling solution in partnership with Terracycle. Simply collect your used and empty oral care waste (any brand is accepted), **send it to school with your child** and we’ll ship to Terracycle to be recycled. You can provide a second life for the following acceptable items and their outer packaging:

- Toothbrushes
- Toothpaste tubes
- Toothpaste caps
- Floss containers

For each approved item received, our school will be awarded points which can be redeemed for funds for the school. **Colgate will award $1,000 in local currency to the registered school from which we receive the largest total shipment of oral care waste in each of Australia and New Zealand before 1 November 2015.**

Thank you for your participation.
