SCHOOLS’ CONTRIBUTIONS AND CHARGES

The School Council has endorsed the schedule of Voluntary Contributions and Charges for 2016. The schedule is broken into sections and will allow you to calculate all costs that you might incur throughout the school year.

1. VOLUNTARY CONTRIBUTIONS

The contributions component is set at $40 per student, $50 for two children and $60 for three or more children.

The Annual Voluntary Contribution has been set at a level significantly lower than the amount allowed under the Act— which is $60 per child per school.

Contributions are voluntary, however, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Federal Governments.

These contributions assist with the purchase of items such as:

- Technology resources
- Maths resources
- Library resources
- Sports equipment
- Reading books
- Student workbooks

2. CHARGES FOR EXTRA COST OPTIONAL COMPONENTS

A breakdown of estimated charges for your child’s participation in incursions, excursions, activities, etc. for 2016 has been included.

Details collected in previous years has informed any changes for 2016.

Students will only incur costs when they are involved in a particular activity. The amounts indicated on the schedule represent the maximum charge for planned activities in 2016. As in the past, you will be asked to make payment for each activity as it approaches.

3. ITEMS FOR PERSONAL USE IN THE EDUCATIONAL PROGRAM

The list of personal use items will vary from student to student and school to school.

Included with this notice is the list of student requirements your child will need for personal use in 2016. These personal items are to be supplied by parents/carers for the beginning of the school year and replaced by the parents/carers throughout the year as required.
