Craig Beard
Principal
Coolbellup Community School
15 Waverley Road
COOLBELLUP WA 6163

Dear Craig

I refer to the one year follow-up review for the teaching quality and student achievement and progress domains following Coolbellup Community School's Public School Review in Term 2, 2025.

I am advised that Craig Stanners, Director, Public School Review and Astrid Morgan, Principal, Hudson Park Primary School, met with you, your deputy principal and members of staff, to consider the extent to which the school has made sufficient and sustainable progress against the report's recommendations for the domains listed above.

The advice received confirms the school has demonstrated sufficient and sustainable progress towards meeting the Standard in relation to the recommendations in each domain.

The review team acknowledged that sustained and targeted professional learning, supported by strategic partnerships such as that with Primary Early Childhood Education Support, has strengthened staff capability to implement the Teaching for Impact agenda through evidence-informed literacy instruction and proactive behaviour support approaches. It was further noted that the establishment of robust collaborative structures for assessment, planning and data analysis, together with whole-school assessment schedules, shared planning resources and regular data review practices, has enhanced teacher judgement and strengthened the use of evidence to inform decision making across the school.

Coolbellup Community School is to be congratulated for its professional commitment by first, noting the areas for improvement and second, implementing strategies that have resulted in the improvements desired. Attached is a summary of the review that may support your school's continued progress towards sustained improvement.

The next Public School Review of Coolbellup Community School, inclusive of all domains, is to be scheduled for 2028. You will be formally notified in the 2 terms leading up to your school's scheduled review.

I wish you and the staff continued success in your endeavours to provide high quality education for your students.

Yours sincerely

Steve Watson
Deputy Director General, Schools
